Hope you have all had a very good breeding season and I look forward to meeting you all at our new venue this year.

My sincere condolences to those families who have lost loved ones in the past twelve months. They will certainly be missed.

### **To all members and fellow fanciers.**

I hope you all will agree that last year's move to Frodsham was a great effort by all, adding to a great show.

I did witness, and also had brought to my attention the number of stewards that offered services and only put time in around judging. May I remind all members that when you make the offer to steward you also offer to do other duties that need attention over the busy weekend.

I am well aware that stewards that have to travel further a field cannot stop until the show hall is put back into the condition found, that we can expect.

When you offer your services to steward on a two day event the duties include the following.

1. Assemble staging as and when available.
2. Book in birds with the show manager, and stow show boxes.
3. Water and take birds to correct area of show hall.
4. Sweep show hall on regular intervals, brushes provided.
5. Assist Judges by bringing Birds to Judging area as and when requested.
6. Cards and Rosettes to be put on show cages where applicable for all to see.
7. Seed and Water to be cleaned and topped up on second day of event.
8. Help remove staging and return show hall back to the standard to what received it in.

Going forward I think we are in a position where stewards are named before the show, as per the Judges etc, then everyone understands the position in the show hall.

All we are trying to achieve is a smooth, slick show for everyone to enjoy including the volunteers who give their valuable time up so the British Border can go ahead for more many more years.

Thank you all for for your efforts and understanding.

**Tim Ward.**
