

Monica Moyers

It is with great sadness that Robert Norman Secretary of the British Border Fancy Canary Club reports the death of Mrs. Monica Moyers wife of our President Mr. Sid Moyers.

Monica was always at Sid's side at all the bird shows and events they attended.

Monica helped and supported Sid with all his duties he undertook for the British Border F.C.C., Merseyside Border F.C.C. and The Border Convention.

Deepest sympathy is extended to Sid and his son Paul, Daughter in law Clair and grandson Ben.
